The certificate of conformity is voluntary and based on an evaluation of a sample of the above mentioned product. Technical report and documentation are at the applicant's disposal. This is to certify that the tested sample is in conformity with all provisions of Annex I of Council Directive 2014/35 /EU, referred to Low Voltage Directive. The certificate does not imply assessment of the production and does not permit the use of Lab's logo.

Other standards and Regulations may be relevant to the product, once all relevant EU regulations are complied with, including risk assessment and production control, the manufacturer may indicate compliance by signaling a Declaration of Conformity themselves and affixing the CE marking **CE** to the product.
